

Bristolite's Residential Skylights

Alumi-lite Aluminum Framed Skylight Model AL

Bristolite's Alumi-lite is a fixed aluminum frame skylight. The curb-mount models are designed for use on any type of roof and are recommended for steep pitch roofs and roofs covered with tile, wood shakes or similarly thick roof material. The self-flashing models are designed to be installed on any flat or low pitched roof with low profile material.

Typical Self-Flashing and Curb Mount Detail

Specifications: Skylight shall be model No. _____ as manufactured by Bristolite Skylights, Santa Ana, Calif. Skylights shall be fully factory assembled consisting of a cast acrylic dome with a CC-2 classification that is sealed by interior and exterior gasketing to a 6063-T5 heliarc-welded aluminum frame. The frame is to have an integral condensation channel to carry moisture to the exterior. The aluminum retaining cap fasteners are to be corrosion resistant. The skylight shall be installed either on a 1-1/2" wide curb furnished by others or on its own 4" high self-flashing curb fabricated from aluminum with a 2-3/4" roof flange. All units are to be guaranteed against defective workmanship and materials.
