

Bristolite's Industrial Skylights

Tri-Arch Steel Framed Louvered Skylight Dome Model SSL

The Tri-Arch steel framed ventilator Domes are skylights that offer a cost effective solution to your project. The skylights have a maximum ventilating capacity and incorporate a storm resistant louver blade as a standard feature.

Specifications: Louvered Tri-Arch Skylights shall be No. T_____ as manufactured by Bristolite Skylights, Santa Ana, Calif. The skylight shall be glazed with a plastic dome using TriTuff UL972 listed material. The skylight dome comes attached to a louvered frame. The louvers will be fixed storm resistant louver blades of galvanized steel and shall be continuous. The louvered frame is attached to a base frame of galvanized steel and shall be installed either on a 1-1/2" wide curb furnished by others or on its own 4" high self-flashing curb fabricated from galvanized steel with a 2-3/4" roof flange. Materials are to be self-extinguishing Approved Plastic Rated CC-1. All units are to be guaranteed against defective workmanship and materials.
