Model SSVL-CM- HS1-OR-MF

Model SSVL-SF-HS1-OR-MF

Typical Self-Flashing and Curb Mount Details

Specifications: Louvered Tri-Arch Smoke Hatch Skylights shall be No. T_____ as manufactured by Bristolite Skylights, Santa Ana, Calif. The skylight shall be glazed with a plastic dome using Tri Tuff UL972 listed material. The skylight dome comes attached to an operable frame. The operable frame is attached to the base frame with a hinge. The operable frame is compression loaded by torsion springs and secured on the opposite side by a latch system operated with a UL Listed and FM approved fusible link. The operable frame comes attached to a louvered frame. The louvers will be fixed storm resistant louver blades of galvanized steel and shall be continuous. The louvered frame is attached to a base frame of galvanized steel and shall be installed either on a 1-1/2" wide curb furnished by others or on its own 4" high self-flashing curb fabricated from galvanized steel with a 2-3/4" roof flange. All materials are guaranteed against defective workmanship and materials.
